

ASEAN HEALTH CLEARANCE REQUIREMENTS FOR ENTRY INTO SINGAPORE

Important information for our patients

Health Clearance Requirements

From 12 midnight on Monday 16 March 2020, all ASEAN nationals seeking to make a short-term visit to Singapore must seek a formal Health Clearance. To enable this, patients must submit mandatory information about their health condition in order to seek clearance before their intended date of travel into Singapore.

ASEAN nationals from the following countries must seek approval: Brunei Darussalam, Cambodia, Indonesia, Lao PDR, Malaysia, Myanmar, Philippines, Thailand and Vietnam.

All Icon patients must ensure that their applications have been approved by Singapore's Ministry of Health (MOH) before they travel to Singapore.

Approved applications will be verified by Immigration and Checkpoints Authority (ICA) officers at Singapore airport. Short-term visitors who arrive without the following will be denied entry into Singapore:

- The necessary approval from Singapore's MOH
- Proof of the place where they will serve the 14-day Stay-Home Notice (SHN)
- Ability to meet all prevailing entry requirements

All nationals of ASEAN countries are advised to obtain the approved health clearance from the Singapore's MOH before making their travel bookings.

A step by set guide to applying for clearance and the arrival process is available below.

Step 1 I need assistance, how can I start?

Please contact our Concierge Hotline (during office hours) who will be able to assist you on the application:

- For hotel or rented accommodation, bookings must cover the entire period of the stay (minimum of 14 days)
- If staying at your own place of residence or that of family member/friend, please provide a copy of an official document stating the address (i.e. photocopy of NRIC).

Please note that proof of accommodation must be in the name of the patient or caregiver (part of the travelling party into Singapore).

Step 5 Patient arrives at Singapore / Icon clinic**Important Information on Arrival in Singapore**

All short-term visitors entering Singapore who have travelled to the following countries within the last 14 days will be issued a 14-day Stay-Home Notice (SHN):

- ASEAN countries
- Japan
- Switzerland
- United Kingdom

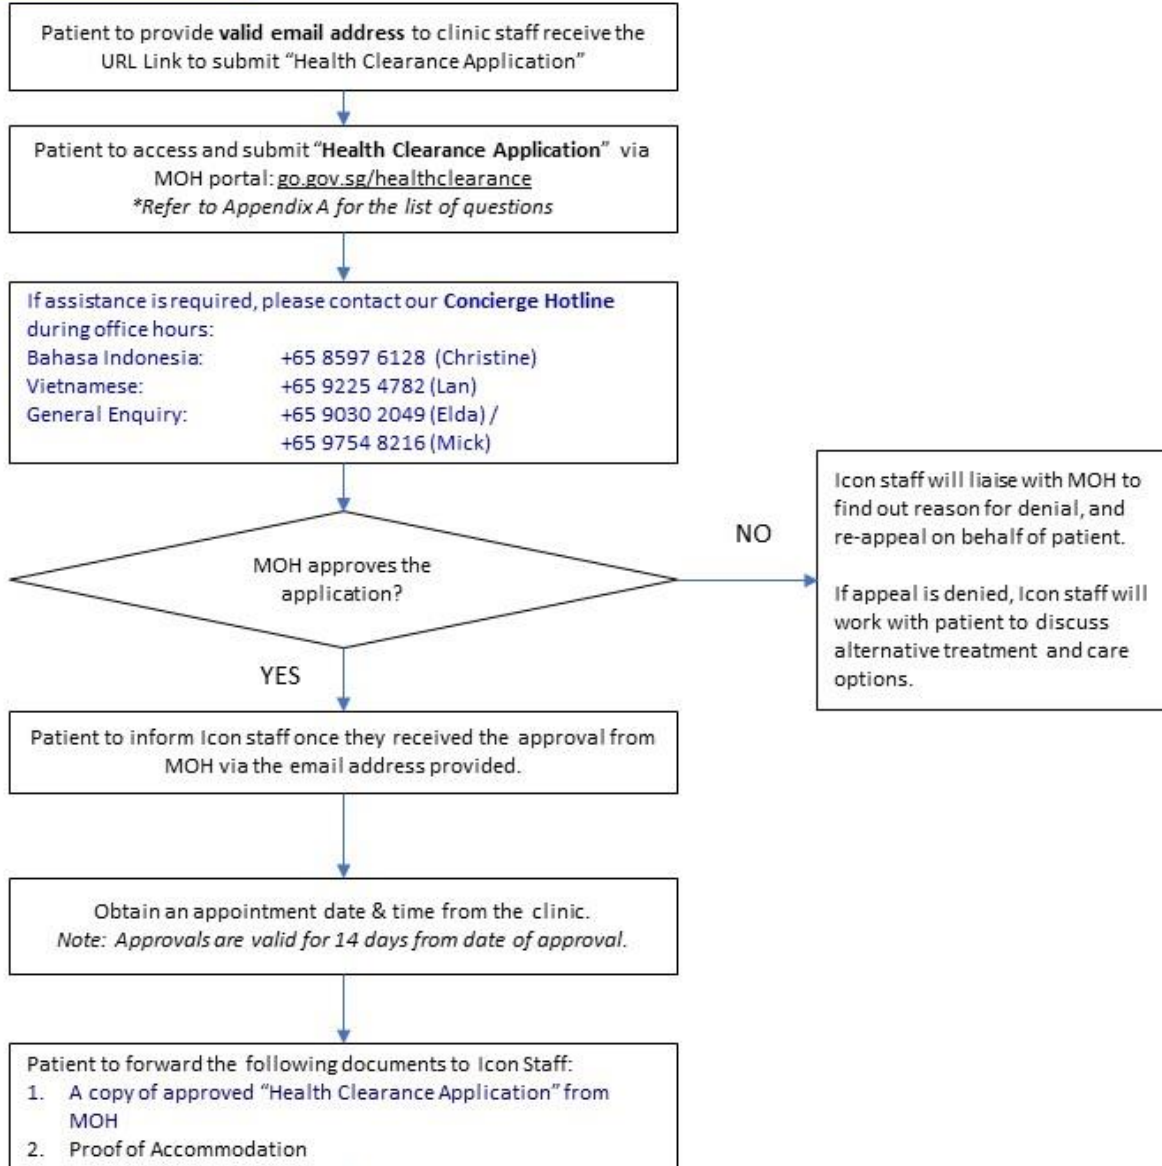

This is effective from 12 midnight Monday 16 March 2020

Short-term visitors who will be put on SHN must provide proof of the place where they will serve the 14-days, for example a hotel booking covering the entire period or a place of residence that they or their family members own.

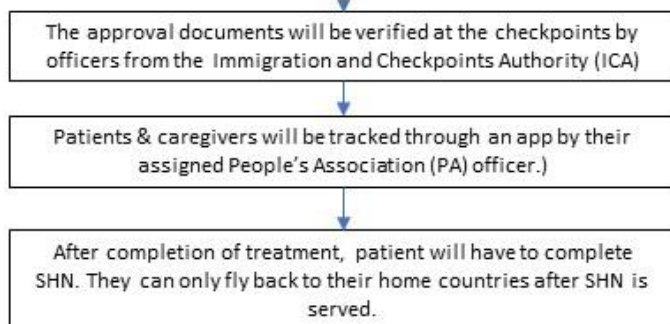

Refer to Appendix B for clarifications on SHN.
